Sub: — Pricing of Petroleum Products.

Sir,

I am directed to refer to this Ministry's letter No. 1/78/69-PP) dated the 11th May, 1970, whereby the decisions of the Government on the recommendations of the Oil Prices Committee and the basic ceiling selling prices of bulk refined petroleum products (including Naphtha) effective from 1-6-70 were communicated to the oil companies and to say that as a result of the recent developments including those concerning the price of crude oil, it has become necessary to revise the C.I.F. prices and the basic ceiling selling prices of the bulk refined petroleum products, two statements — one showing the revised C.I.F. prices which will come into force with effect from 28-5-71 (Annexure-I) and other showing the basic ceiling selling prices which will come into force with effect from the same date (Annexure-II) are enclosed. The basic ceiling selling prices given in the enclosure are inclusive of the following:—

- (a) A sum of Rs. 12 per kl for all bulk refined petroleum products including all Avgas grades (but excluding Bitumen and Naphtha), and Rs. 12 per MT for Bitumen grades and Rs. 18 per MT for Naphtha which sums are intended to cover the freight variations on imports of crude oil and deficit products since 1-6-70 which have been or will be debited by the marketing companies to the S & F Account.

N.B. The total amount recoverable on this basis (duly audited), in each quarter through this surcharge should be credited to the C & F Adjustment Account.

- (b) An increase in the Freight Pool Surcharge rate (referred to in para 4(a) and (b) of this Ministry's letter referred to above) by Rs. 5 per KL/MT thereby raising the Freight Pool Surcharge from Rs. 10/- to Rs. 15/- per KL/MT.
- (c) Increase in the C.I.F.s. of bulk refined petroleum products on account of higher cost of crude.

2. The C & F Account will be maintained in the manner indicated in this Ministry's letter No. 1/16/70-PPO dated the 23rd November, 1970.

3. The recent increase in the selling prices of Avgas grades and A.T.F. has been restricted to Rs. 30/- per KL and the consequent under-recovery in respect of these products is being compensated by increasing the surcharge on Furnace Oil from Rs. 6-97 per KL to Rs. 10-30 per KL. A separate account will be maintained in respect of (a) the recoveries

on Furnace Oil as a result of the bely of surcharge of Rs. 6.97 per KL from 1-6-10 and Rs. 10-30 per KL from 28-5-71 and (b) the under recoveries suffered by each marketing company of account of restricting the selling price of A.T.F. since 1-6-70 and Avgas grades as indicated earlier in this para so that this Ministry can ensure that those companies suffering under recoveries on sale of A.T.F. or Avgas grades (due to limiting the increase in the selling price of Avgas with effect from 28-5-71) are fully compensated by pooling the under-recoveries and over-recoveries and by making inter-company adjustments/payments, as may be found necessary, once a quarter.

4. In respect of A.T.F./Kerosene, a suitable amendment to the Kerosene (Fixation of Ceiling Prices) Order, 1970 is being issued separately.

5. Please acknowledge receipt of this letter.

Yours faithfully,

Sd/-

VINOD KUMAR

Deputy Secretary to the Govt. of India.
